

Return/Cancellation Policy

You may cancel your service at any time without a cancellation fee. You must notify cPanelSource.com of your cancellation no later than 1 day prior to your next billing date. Proper ways to cancel include :

- 1) Filling out the “Cancel cPanel License” form found at www.cpanelsource.com by clicking on the “maintenance” tab.
- 2) Sending an email to billing@cpanelsource.com with the following information :
 - a) Full Name
 - b) IP address of active license
 - c) billing password
 - d) state that you are canceling

Failure to cancel no later than 1 day before your next billing date will result in the charge for your next billing period.

If you have any questions regarding the return/cancellation policy please feel free to email us at billing@cpanelsource.com .
